

Short information: The StuSie e.V.

Who are we?

We are all students who work together so that your life in the Studentensiedlung is as diversified as possible. The StuSie e.V. consists of three members in the executive committee and 10 consultants who are responsible for different tasks. We organise the StuSieBar, the Servicepoint, the washing-rooms, and the training rooms for musicians. We offer you opportunities in sports and tutorials like dancing, jogging or language courses. (You can find all available courses on www.studentensiedlung.de)

What departments are there, and what do they offer?

Servicepoint:

The Servicepoint is located in the Gemeinschaftshaus in the Studentensiedlung. Here all your questions regarding the Studentensiedlung can be answered.

Here you can also buy coins for the washing machines and dryers. You can print, copy, laminate, etc. You can also borrow various things (e.g. mattresses, grills).

You also can rent the SansieBar, where you can make little private parties without annoying your whole floor or the whole house with noise.

All contracts for the gym, music rooms, studying rooms, as well as keys for these particular rooms, can be picked up there.

Opening times

During the semester: Monday to Thursday 7pm - 8pm Friday to Saturday 7pm - 8pm

During the semester break: Daily 7pm - 8pm

Musik und Kultur Referat:

The music and culture department managed the music room in the Gemeinschaftshaus. You can rent either an empty room, rooms with pianos, or an entire room for bands. You will get the key and sign a contract in the Servicepoint. The rent is between 10€ - 30€ and is paid monthly.

Once per month, the Musikreferat arrange the Open Stage Night in the StuSieBar. Everybody can come to show his/her talent.

Sportreferat:

The sport department takes care of everything to do with sport. This includes the beach volleyball court, the sports ground and the gym. The gym offers you the opportunity to 'harden your muscles' In order to use the gym, you need a contract, which can be obtained at the Servicepoint. It costs 5€ per month.

Technikreferat:

The technical department looks after the bicycle workshop and the wood workshop. In both workshops you will find helping hands who can answer all your questions.

Saalreferat:

Here you can celebrate big parties or you can do sports. There are also different courses for free.

Soziales- Internationales Referat:

If you want to stay longer than 3 years in the Studentensiedlung you can get all the answers you need from this consultant. He will also help you if you are interested teaching tutorials, or he will look for tasks where you can receive "assistant hours" - both will aid you in extending your time here.

Computerreferat:

If you have any questions about your computer, you can get help here.

ATTENTION: We are not responsible for the internet in your house!
